

BE AWARE AND PREPARE NOVEMBER

The Region 9 Hospital Preparedness Program encourages all health-care employees and their families to prepare themselves for emergencies. Each month, you will receive a list of three things that you can get, or do, to assemble a Basic Emergency Supply Kit. By following our recommended list you will have a well stocked kit by the end of the year.

Report Suspicious Activities

Report any suspicious behavior or packages to the police by dialing 911.

Utility Knife

To create a shelter in place and to open up containers in your emergency kit, a utility knife will be very beneficial to include in your emergency kit.

Dust Mask

A dust mask may prevent you from inhaling particulate matter if materials are disseminated in the air.
