
Crisis Services

To ensure public and personal safety, the CHD Crisis Team provides 24-hour quality screening, evaluation, and stabilization to persons in Union County experiencing mental health emergencies.

Payment Options

CHD is a preferred provider for:

- Regence Blue Cross Blue Shield of Oregon
- LifeWise Health Plan of Oregon
- Pacific Source Health Plans
- Oregon Health Plan

We are able to bill most other insurance plans, and we provide services through contracts with many Employee Assistance Programs.

CHD is dependent on client fees to pay for the costs associated with treatment. We do have funds available to assist a limited number of clients with the cost of treatment, based on clinical need, family size, and household income.

TTY: 711 Oregon Telecommunications

Relay Service

In order to receive government funding, CHD is required by state and county policies to charge for services it provides to the public. However, no one will be denied clinical services because of an inability to pay. CHD does not discriminate on the basis of race, sex, religion, national origin, family status, age or disability. For further information about this policy, contact Human Resources, 541-962-8811, or TTY 1-800-735-2900 or dial 711.

MENTAL HEALTH SERVICES

“working for healthy communities”

SERVICES OFFERED

Just as physical health is important to our enjoyment of life, so too is our mental and emotional health. And just as physical ailments can be successfully treated, so can mental and emotional problems. Professional diagnosis and treatment of such problems can benefit individuals greatly.

No matter what one's age, there will be changes and losses in life. And we can help. We have an experienced staff of qualified mental health professionals including a child and adolescent psychiatrist, psychiatric mental health nurse practitioners, and licensed clinical mental health professionals who use an integrated approach to treatment.

We provide confidential assessment, diagnosis, and treatment for a variety of mental health conditions, including but not limited to:

- Depression
- Anxiety
- Trauma
- Attention Deficit Hyperactivity Disorder
- Adjustments
- Life Transitions

The Center for Human Development serves children and adolescents and their families, adults and older adults.
