## **COVID-19 IS HIGHLY CONTAGIOUS**

If you have any of the following symptoms OR have recently been exposed to COVID-19 or exposed to people symptomatic of COVID-19, please stay home and call your provider.

Know the signs and symptoms of COVID-19 (below), and do the right thing by not spreading the COVID-19 virus:

- Mild to severe respiratory illness**
- Cough with fever**
- Shortness of breath**

In addition, please be aware of the current state and federal guidelines with regards to social distancing and how the virus can spread. It is possible to not show any symptoms, or only mild symptoms, and still be a carrier.
